Prayer Update May 2019

We have recently restarted two of our Spiritual Life Centres on their next round of teaching. We have come to realise that this is one of the most challenging areas of our work in terms of generating sufficient funding. Each centre trains 10 students over a 13 month course. Most are already Pastors or in other leadership positions. They are desperate for the Bible teaching and practical content of the course. Many go on to further ministry on completion and all find their spiritual insight and relationship with God deepens. This is a very important part of our work and will be looking at ways to increase income to support these courses, please pray that we are able to find effective ways of doing this.

Pray that we are able to continue with our plans to bring two Ugandans to the country in early October, until they are able to apply for their visa 3 months before they travel we will not know if their visit will be possible. Pray that this process goes smoothly and we are able to set up a full itinerary of things for them to do and places to visit to make their visit as fulfilling as possible. There is still the opportunity to host one of these visitors, please feel free to contact myself if this is something you would like to do.

Please pray for Jon as he tries to organise an itinerary for when we travel to Uganda at the beginning of August. We want to visit as many places and people as possible to aid me in my take over from Chris Copley. Although we want to travel widely, we also want to make our time with each person meaningful, pray that we will get this balance right.

We also ask that you pray for all of our trustees.

Jon Sermon is our chairman, he is a minister in Suffolk, we ask that you pray for him, his wife Ruth and their children, that God will continue to bless their family and ministry.

Tony and his wife Janet live in Uckfield. Janet's Mum is very ill and she has caring responsibilities, as well as family members in Australia.

Dick and his wife Mary live in Daventry. Dick works with multiple charities. Pray for them as a couple and for their family as they prepare to become grandparents.

Rachel lives on the Isle of Wight and is an A-level teacher, she has a lot of involvement in her local church. Pray for her and her husband, Chris.

Adam is in the process of ordination training, pray his journey into ministry goes well and he grows closer to God as he continues into this new part of his life.

Our newest trustee Stuart and his wife Judy live in Chelmsford, Stuart is the church officer at the church they attend. Pray for their ministry in the church and their community. Pray as they continue on this new journey with Romans One Eleven and for their family.

God Bless
