Little Hands

The Little Hands puppet team is made up of the older girls from 1st Hythe Girls' Brigade. They lead Church services, take part in fun days and other outreach activities. They also put on a musical each year.

Big Hands

This is our adult team. They regularly visit schools to lead assemblies on topics such as Easter, Christmas and other Biblical stories.

Schools Project

This is our newest team. They visit local schools to put on presentations on various social issues such as bullying, self esteem and smoking. This work comes under the umbrella of Families Matter, the community project run by our Church. (Please see our separate leaflet for more details)

Puppet Ministry

Praizin' Hands

About Us:

The Praizin' Hands puppet group was set up in 2003 as part of the 1st Hythe Girls' Brigade Company.

The puppet group was originally formed for the older girls within the company, but as the interest in the puppet group has grown it has expanded into three puppet teams reaching out into the community.

Why Use Puppets?

Puppets are non-threatening, making them an ideal tool to share Gods love with so many. They also appeal to all ages.

We use professional puppets and all our puppeteers attend weekly training to ensure that all performances are to a very high standard.

How to book:

If you would like to book Praizin' Hands for a Service, outreach event or a speaker for your club please contact us.

What does it cost?

We do not charge, but if you would like to make a donation to support our ministry and develop the work we do it would be gratefully received
