

TABLE TOP SALE

ALTERNATE TUESDAY MORNINGS from 9.30 am to 12.00 noon

Our church needs Table Top for the funding it provides for our outreach work. Did you know it is the second biggest contributor to the Outreach Fund after the fundraising events we put on? But it is not possible without more people being involved. Of course it is not only a source of money but it is the church face to face with all those people out there that we want to share God's love with. You might be surprised how many people come in to talk, to share their life events with us and yes their problems too and it is our opportunity to be there for them.

None of this is possible without the practicalities being in place so let's think about what needs to happen:

On **Tuesday mornings**, every other week from **8.45am** we are ready to open the doors. **From 9.30am to 12noon** we are there to sell things and chat to customers and visitors.

From 12noon everything has to be packed up into the boxes again and stored in the cupboard for the next two weeks when it all starts again.

Volunteers are always needed, can you help?

Joan Shewry and Richard & Bev Hall
