

# OPEN DOORS

**October 24<sup>th</sup> and November 28<sup>th</sup> 2021  
3.00 pm to 4.30 pm in Cornerstone Foyer**

It will be lovely to see you all again and hopefully some new friends who may like to join the group. Open Doors is mainly for people who perhaps now find themselves living alone and can sometimes find the weekends more difficult than weekdays.

We meet on the fourth Sunday of each month, apart from August and December. We are a happy, chatty group, who enjoy meeting up with friends whilst also enjoying a nice cup of tea with cakes or biscuits. Usually conversation flows very well and all are happy to catch up with one another. Sometimes though we might engage in a quiz or another seated activity, we have also on occasions had a little sing song. There is no specific programme, but we always enjoy our time together.

You will find us a very caring and understanding group, who are also very supportive of one another. So, why not come along, make new friends, bring a friend with you, or catch up with those you knew before and begin to enjoy time, being with them once more.

I look forward to welcoming you all as you enter through our Open Doors.
