SIERRA LEONE

Thank you very much for your prayers for the mission team which was in Sierra Leone for two weeks recently. Steve, Gillie and Chris have had a very fruitful time teaching pastors (they absolutely loved the tablets they were given!), checking on wells and on-going projects, as well as engaging in various activities in Kafanta Village and elsewhere. The health packs including our sanitary pads were very well received wherever they were given out.

Chris hopes to share more in due course but in the meantime we were very grateful for your prayers, which were certainly needed as we faced some significant challenges during the trip. Despite these though, we praise God for all that he has enabled us to achieve, keeping us safe, fit and well as we have travelled and worked.
