## COVID PRECAUTIONS

There are still people in the area suffering from Covid. Sanitizing hands is recommended as you enter and social distance as much as possible. Good ventilation will be maintained. Please stay home if you feel unwell.

## NEW HOMEGROUP

Before Covid struck, a Homegroup led by Alison Thatcher used to meet in Seashells and enjoy a time of bible study and Christian fellowship. If there is sufficient interest I'd like to restart this Homegroup (Pubgroup really) as the casual nature of this Group used to appeal to many, including me, who couldn't make it for every session.

So if you are interested, speak to me or email me on [nick.tustian@btinternet.com](mailto:nick.tustian@btinternet.com). If you have any preference on day of the week or time let me know. I can't promise that we'll "turn water into wine" but you can always buy a glass from the bar.

God Bless *Nick Tustian*

## SIERRA LEONE

There will be another trip to Sierra Leone in late October, this time involving a team of seven people. As well as teaching, health education and wells work we are hoping to distribute hygiene packs again, to include reusable sanitary pads.

Teenagers and young women were extremely grateful for these gifts in April but there are many others who still do not have them. If any of you could make sanitary pads again (or for the first time) Chris Copley can supply the pattern and instructions, though you may have to obtain your own materials (perhaps from a charity shop). Please speak to Chris if you are willing and able to help:

## TABLE TOP

Table Top is now closed for the summer and will re-open on September 13<sup>th</sup>. If you have any donations could you please keep them at home until September.

If you have a problem with this please speak to Richard or me. Thank you for all your support.

## MICHAEL SHEWRY

The Funeral service for Michael Shewry is on **Friday 29<sup>th</sup> July** 2.30pm at Test Valley Crematorium, Ridge Lane, Romsey. SO51 6AB followed by a Celebration of his life at Cornerstone approx 3.30pm after which refreshments will be served in the hall.

Everyone is invited to share in all or some of the above.

Family flowers only. Any donations gratefully received for Oakhaven Hospice and Hythe United Reformed Church

## TRIP TO UGANDA

Chris Copley sets off for Uganda tomorrow, 25<sup>th</sup> July, for an 18 day trip with the Romans One Eleven Trust. She and her colleagues Jon and Rachel would be grateful for your prayers: details have been sent out on the prayer spider but there are hard copies in the foyer by the World Mission board for any who would like them.
