PRAYER MINISTRY

If you would like someone to pray with you, members of the Prayer Ministry Team will be available after the service, at the front and to the right-hand side of the platform.

FOYER IN AUGUST

During August the Foyer will be open on

Monday, Wednesday and Friday only

On Wednesdays there will be activities for children available.

It would be helpful to have more people to call upon to help with the foyer. If you feel you could give a morning occasionally please talk to Bev Hall.

COVID PRECAUTIONS

There are still people in the area suffering from Covid. Sanitizing hands is recommended as you enter and social distance as much as possible. Good ventilation will be maintained. Please stay home if you feel unwell.

PICNIC AND GAMES IN THE PARK

Sunday 14th August

Jones Lane playing field
(beyond the cricket pitch)

We will all meet up after morning worship, from about 12.30pm and enjoy a picnic together - and the energetic ones can play games!

EVENING PRAISE AND WORSHIP TODAY

Come along from 6.30pm for an extended time of worship and ministry using new songs, and without much of an agenda other than to join with others to encounter God and be led by the Spirit. See you there!

SIERRA LEONE

There will be another trip to Sierra Leone in late October, this time involving a team of seven people.

As well as teaching, health education and wells work we are hoping to distribute hygiene packs again, to include reusable sanitary pads.

Teenagers and young women were extremely grateful for these gifts in April but there are many others who still do not have them. If any of you could make sanitary pads again (or for the first time) Chris Copley can supply the pattern and instructions, though you may have to obtain your own materials (perhaps from a charity shop).

Please speak to Chris if you are willing and able to help:

MILK BOTTLE TOPS

Cornerstone no longer has a means of recycling milk bottle tops, so please do NOT bring them to church anymore.

Instead, after you have rinsed and squashed the plastic milk bottle, re-attach the top to the bottle and put it in your clear recycling bag. Thank you.
